FOOTNOTES

/a/ The data contained in this table was compiled by the U.S. General Services Administration. For information concerning this data, contact the U.S. General Services Administration, Governmentwide Real Property Policy; 18th and F Streets; Washington, D.C. 20405; (202) 219-0077.

/b/ "Public domain" is defined to cover original public domain lands and those withdrawn from the original public domain for specific uses (i.e., national parks, national forests, military installations) of various Federal agencies. The term "original public domain land" embraces all the area to which title was vested in the U.S. Government by virtue of its sovereignty. Public domain lands also include lands within Federal ownership that were obtained by the Government in exchange for public domain lands that have reverted to Federal ownership through the operation of public land laws.

/c/ "Other" is defined to cover land acquired by purchase, condemnation, donation, exchange, and other methods of acquisition (other than public domain).

/d/ Source--U.S. Census of Population.

/e/ Excludes trust properties.

Note: This table represents the most current data available from the General Services Administration. Data does not include inland water.
